## **Yoshon Update from Kemach Foods**

### **November 19, 2021 – Yoshon Update from Kemach Food Corp.**

This was sent to Kemach's email list:

"A Guten Erev Shabbos Kodesh,

This update will be added to the website early next week.

We are happy to inform that our most recent cereal production still used YOSHON Oats.

Toasted Oats, Honey Nut Toasted Oats, Fruit Whirls, Bunch O Krunch, & Corn Crisps are all still YOSHON with a Best By date as late as November 2022. I can almost say with certainty that future productions will have Chodosh Oats, so please stock up.

Regarding all other cereals, whatever it says on our website still holds true. (There is a chance of a much later "Malt" chodosh date this year, but I am still trying to confirm that).

Another update, regarding our Pita Chips. Both Sea Salt and Multigrain pita chips are still Yoshon (most recent production has a best by date of: 08/04/22) and will most probably be Yoshon the whole season. Lastly, our Everything Flatbread Crisps (diamond shaped crackers) are still Yoshon (Best By 11/17/22), but will probably be Chodosh on the next production.

Have a wonderful Shabbos,

Nechemia"
