The Android Version of The Official Yoshon.com App is Now Live!

April 3, 2022 – Android App is Live!

That's right, the Official Yoshon.com App is now live at the Google Play Store, still in time for this season! (The iPhone version is still in the review approval process for the App Store.) We have awaited this exciting moment for a very long time, and are happy that it was still (*just*) within the season. We hope you enjoy it, and it will help everyone keep *yoshon* even easier.
