CHODOSH

We wish to update the public regarding חודש in cereals under our הכשר.

All Kellogg's & Nestle cereals that bear our Kosher MK logo, and Mornflake Oats, are Yoshon, besides for Kellogg's Special K range, which is Sofek Chodosh, from production date 01/11/2022 and onwards.

INFESTATION

It has come to our attention that infestation (flour mites) has been found in various Spelt flour brands.

We therefore advise that ALL Spelt flour requires sifting prior to using.
