YOSHON UPDATE (1)

חדש/ישן

בס"ד there is almost no concern of Chodosh this year
across all types of grains.

This is due to Pesach being later in the year and some very good weather at the end of Adar which allowed farmers across UK and Europe to plant the vast majority of their grain in time.

CANADIAN bread flour will be **Chodosh** from December.

<p>Oats & Cereals with oats שיבולת שועל/קוקר</p>	<p>English, Scottish, Irish and European oats are exempt of issur Chodosh this year. (Oats that specifically state grown in Northern Ireland are currently <i>sofek Chodosh</i>) אין איסור חדש השנה</p>
<p>Barley (pearled & pin head) שעורה</p>	<p>UK barley is exempt of issur Chodosh this year. אין איסור חדש השנה</p>
<p>Barley malt in products מוצרים עם לתת שעורה</p>	<p>Products containing barley malt (e.g. breakfast cereals) are exempt of issur Chodosh this year. אין איסור חדש השנה</p>
<p>Beer שכר</p>	<p>All beer manufactured in UK is exempt of issur Chodosh this year. אין איסור חדש השנה</p>
<p>Flour קמח חטה</p>	<p>UK grown- bread, plain and self-raising flour are free of Chodosh concerns as always. Canadian bread flour will be Chodosh. This is expected in UK around 1st December. (The code for definite Yoshon will be 22330 or lower). קמח מיובא מקנדה יהיה בחשש חדש מר"ח כסלו</p>
<p>Spelt and Rye כוסמין ושיפון</p>	<p>English and European are free of Chodosh concerns as always. אין איסור חדש</p>
