## **New Yoshon Update on Malt-O-Meal Wheat Cereals**

### **January 8, 2023 – Update on Malt-O-Meal Wheat Cereals**

On December 21<sup>st</sup>, it was brought to our attention that two puffed wheat cereals that had normally been made with winter wheat from Malt-O-Meal and Post, were no longer *yoshon*. These were to go by the general date for wheat.

A few days ago, we were informed that Malt-O-Meal's hot wheat cereals now had a slightly later wheat date than the normal cutoff. The new packing date cutoff for Malt-O-Meal wheat cereals such as hot farina, is now at September 30, 2022, instead of the general wheat date of August 18, 2022.

Today it was confirmed that all of Malt-O-Meal's wheat cereals would go by this newer packing date of September 30, 2022. Our website [Yoshon.com](https://yoshon.com) has been updated to reflect this.
