November 23, 2023 – TYNI Major Fundraiser

With the recent loss of income of a major anonymous donor who covered a significant amount of our operating expenses, we simply must hold a fundraiser. In order to continue all that we do here at TYNI, from Yoshon.com and the app to educational articles and tools, our need is too great not to. Please donate if you can, or print out a flyer or two to hang up at local *yoshon* establishments (with permission of course). We now include a QR code on the flyer so that people can just scan with their phones to go there. The fundraiser officially starts midnight December 3rd to 5th and goes for 48 hours, but donations can always be made ahead of time. Every little bit helps!
