Debut of the TYNI Product Manual and Fundraiser Still Live

December 5, 2023 – Debut of the TYNI Product Manual

Introducing the New TYNI Product Manual! In cooperation with AKO (Association of Kashrus Organizations), we are happy to offer our latest endeavor. It is a printable yoshon product lookup, that is also a searchable pdf. It contains most of the currently updated products on Yoshon.com, and is updated in real-time as the site gets updated. There are navigational links throughout the document. We hope you find this to be a useful tool. The Direct Download Link is below:

December 5, 2023 – Reminder That Our TYNI Fundraiser is LIVE for just a Few More Hours!

Just a friendly reminder that TYNI's "Yoshon.com Needs YOU!" fundraiser campaign is still LIVE for a few more hours until midnight. See details on the fundraiser page. We don't normally come right out and ask for funds, unless we really need them. Please consider donating. No amount is too small, every little bit helps!

B"H, we are thankful to and greatly encouraged to see many of the major *kashrut* agencies are chipping in to help our cause. We must meet our goal to cover our annual expenses before the end of this year when they are due. We want to make sure that all of our many services continue uninterrupted.

Thank you to all those who have donated so far. We still have not met our goal, but BE"H, we will with everyone's help.
