### December 6, 2023 – Static Link for the TYNI Product Manual

We are proud to offer our new TYNI Product Manual in cooperation with AKO (Association of Kashrus Organizations), that debuted yesterday. If anyone would like to link to it on their website or share it with friends, please post this static, unchanging link:

<https://yoshon.com/updates-downloads/#TYNIManual>

There is a convenient download button on both the Yoshon.com home page and our Updates & Downloads page, but these are Direct Download Links which change every time the Manual gets updated. Therefore, the easiest way to present the link is the one above, or simply have people go to our website's home page. Otherwise, the Direct Download Links will give an Error 404 message once the document gets updated.

### December 6, 2023 – B"H, Our TYNI Fundraiser Met Its Goal!

A huge "Thank You" to all who donated to TYNI's "Yoshon.com Needs YOU!" fundraiser! We are so pleased to have reached and even surpassed the original goal by \$652 at the time of this publication. People have still been donating even after the campaign ended. The Chesed Fund allows it, and simply adds to the total of the campaign. After one week goes by, subsequent donations via the Chesed Fund, get sent separately. We will still receive it.

They now send tax deduction receipts, so we no longer will have to send out letters. Donors receive the receipt by email as soon as they donate. Those who donated via Stripe and PayPal through Yoshon.com, will still get an emailed donation letter from us manually.

B"H, we can continue helping Klal Yisrael to keep *yoshon* throughout this year and the next! Tizku L'Mitzvot!
