GENERAL YOSHON NEWS

Chodesh Tov!

Here are the news items for this month, an especially hot topic is the new video, found on our Yoshon Videos page.

January 29, 2024 – New Video! “Let’s Talk Kashrus - Yoshon Bytes”

This video came out a few days ago, and has been shared several times on the Yoshon.com WhatsApp Groups by members. It’s that good!

This is perhaps the best video we have seen for concise explanations on the various aspects of what conditions affect yoshon status of products. Rabbi Tendler from the Star-K explains it well, in a very logical and understandable way. The link is below:

January 18, 2023 – Ezekiel Bread “Lenient View” Has Been Revised!

It has come to our attention that an opinion given to us on Ezekiel Bread’s “Lenient View” has been revised. There are now only two views:

L’Chumra: Grains must be sprouted before 2nd day Pesach. Packing Cutoff Date - April 9, 2023.

Majority: Grains follow the general cutoff date. Packing Cutoff Date - September 1, 2023.

We deeply apologize for any inconvenience this may have caused. For anyone who has purchased any Ezekiel products using the former "Lenient View", it is recommended that you consult your LOR as to how to handle your Ezekiel product.

Again, for all Halachic matters, please consult your LOR.
