## Product Updates and Updated Yoshon Beers List

---

### February 21, 2024 – Product Updates - Good News and Bad News

There is good news in that all Betty Crocker Cookie Mixes are now *Yoshon* according to OU's Yoshon Product Search. We hope to be adding them to our site soon.

The only bad news we have to report is that Samuel Adams Wheat Beers are no longer *yoshon*. They contain barley malt, and they must go by the same date as the regular Samuel Adams Beers. The site has been updated accordingly.

Another bit of good news is, that all Pollak's Bakery Cookies are *Yoshon*, without a "Yoshon" label, including individually wrapped items. These are now on our site.
