GENERAL YOSHON NEWS

Chodesh Tov!

Here are the news items for this month...

After we reported the exciting news last January 23rd of Duncan Hines regular cake and brownie mixes being made with pure Winter Wheat, there were more big announcements this month as well. We confirmed on February 13th that Nabisco Oreo Cookies of all flavors made both in the USA and Mexico are also *yoshon*! This applies to all crunchy types of Oreos only. This does NOT apply to Oreo Cakesters or Gluten-Free Oreos. Those still must go by date codes.

We also confirmed on February 21st, that all Betty Crocker Cookie Mixes are now *Yoshon*.

The only bad news we had to report is that Samuel Adams Wheat Beers are no longer *yoshon*. They contain barley malt, and they must go by the same date as the regular Samuel Adams Beers.

Other good news – all Stern's bakery goods, and all Pollak's bakery cookies are *Yoshon*, without a "Yoshon" label, both including individually wrapped items.
