## GENERAL YOSHON NEWS

*Chodesh Tov!*

### TYNI Turning 10!

On August 15th, The Yoshon Network Incorporated (also known as TYNI) is celebrating its 10th anniversary of becoming a 501(c)(3) non-profit organization, officially registered with the IRS.

We invite you to come help us celebrate, as we look to the future and continue to serve the needs of the yoshon-keeping public. As befitting our name of the "Yoshon Network", we endeavor to provide valuable services that will be able to reach every single yoshon-keeping Jew.

Please download our [TYNI 10th Anniversary Fundraiser flyer](#), print it out and post it for all to see, to help spread the news.

TYNI has grown by leaps and bounds, but only through your continued support have we been able to grow and thrive. We still need your donations to sustain our volunteer-only non-profit organization.

Our fundraiser runs from August 14<sup>th</sup> through 18<sup>th</sup>. Access it here: <https://bit.ly/TYNI-Fund-10>. All donations are tax-deductible, and can be made with a credit card, or your favorite donor-advised fund. For those without internet access, one can even donate using a kosher phone: 518-323-0376 - Campaign ID: 64149.

All of us here at TYNI thank you for your continued support, which we need now more than ever. We hope you enjoy all the benefits and services that TYNI and Yoshon.com make available to everyone.

### New and Returning Services

As we grow, our Yoshon.com visitors, WhatsApp group members, and Newsletter subscribers give us valuable feedback, and we've listened! As a surge of non-internet users have been steadily streaming in to join, we're making every effort to accommodate everyone. Here's what we've been doing over the past month:

**A New Texting Service:** We have acquired a new number solely for the purpose of people to be able to text questions to our volunteers. Please, do not call, it will not be answered. Our phone system is set up for texting only and is not monitored for calls. The number for texting is: 669-696-7466 (669-6-YOSHON).

**Newsletter and Alert Subscription Service:** We have just moved to a new system as of yesterday evening to accommodate attachments and pictures. Our current newsletter service has not allowed for this. There have been requests for attachments by those who are not able to go online to access our Direct Document Downloads. All who have already subscribed have automatically been ported over to the new system. This will be the first Newsletter using the new system. We do not anticipate any problems, but want to make everyone aware, just in case someone had signed up and not received their newsletter. If you or anyone you know who has subscribed to our list has not received the newsletter, check your SPAM folder to see if it may have been sent there by mistake. Please be sure to add [info@yoshonnetwork.org](mailto:info@yoshonnetwork.org) to your contacts to ensure this does not happen.

**TYNI Product Manual:** Our Manual will be available online for download or viewing, once the season gets started. Periodically this year, AKO is physically printing them out to make available in various locations in Lakewood. See the updates section below.

## GENERAL YOSHON UPDATES

### July 23, 2024 – Chodosh Season Update

There is no need to worry about any retail *Chodosh* flour or products yet until at least mid-August. Another update will be posted in the second week of August. Even though the grain harvests have started, no *Chodosh* retail products have been produced yet. If you wish to stock up on *Yoshon* items, there will still be time to do so after our next update.

(If you are going away for the summer and wish to stock up now anyway, keep in mind that all dry items need to be stored properly (cool, dry areas, away from direct sunlight, humidity and heat) to avoid infestation issues.)

### How to Get Updates Once the Season Starts

**Online:** Search for products and their status on [Yoshon.com](https://yoshon.com), or scan with the Yoshon.com Mobile App.
