

# PAS YISROEL PRODUCTS

(AS OF ELUL 5784)

Compiled by Rabbi Chanoch Sofer,  
Rabbinic Coordinator, Webbe Rebbe

THE TUR (Orach Chaim, Siman 603), based upon the Talmud Yerushalmi, cites the custom for Jews to be stringent during the Aseret Yimei Teshuva to eat PAS YISROEL bread exclusively. Even those Jews who generally do not follow this stringency are encouraged to accept this practice during the period between Rosh Hashanah and Yom Kippur. We therefore present the list of all OU Pas Yisroel products.

**PLEASE NOTE:** All OUP (Kosher for Passover) Matzah products (e.g. Matzah, Matzah Meal, Matzah Meal products) are PAS YISROEL, even if not listed below.

- Not all products on this list are available in all countries or geographic regions.
- There are differing opinions as to whether Cheerios is considered pas. The OU poskim do not consider it pas, because of the size of the individual pieces and the manner in which it is made. Likewise, wheat flake cereals and wafers are not considered “bread-like” and therefore do not need to be PAS YISROEL. Corn and rice cereals are, by definition, not bread items.
- Products which are also CHOLOV YISROEL are so indicated.
- Items that are YOSHON are marked with an asterisk\*.
- Food service establishments such as restaurants and caterers are noted with a (FSE).

| Company/Brand                | Product Type  | RC              |
