MK ESTABLISHMENT YOSHON POLICIES

1. **Note:** Only establishments and items that are explicitly stated on this list are certified Yoshon.
2. **Important:** Please read carefully and do not rely on Yoshon status from previous years’, as there have been changes.
3. **Bread Policy:** As a general rule, artisan bread products such as panini, ciabatta, baguettes are not Yoshon unless specified even when sold or served in a Yoshon certified establishment.
4. **Pita Policy:** Pitas sold at establishments are not Yoshon unless otherwise specified.
5. **Fried item policy:** Coated French fries and anything fried in their oil are not certified Yoshon. This includes non-coated French fries and other fried items such as vegetables and cheese sticks. When MK certifies everything as Yoshon, this includes the French fries and other fried items as well.
