## GENERAL YOSHON NEWS

*Chodesh Tov!*

Updates this month have included new, later cutoff dates for Barley Malt and Beer! (See below.) Be sure to check out the General Grains Chodosh Cutoff Dates Sheet, Yoshon Beer List and Yoshon Flours List (all attached) and are in the latest TYNI Product Manual.

Other good news in the works, the Yoshon.com Mobile App is finally being updated (good news for Android users) and BE”H, hopefully will be available in a couple of weeks, at least still before the season is over. There are still some issues being worked on, but it shouldn’t be much longer. The bonus for everyone’s patience? It will now be available on the app stores for free!
